Re: [redacted]

25X1

Dear Mr. Dulles:

This will acknowledge the receipt of your memorandum of March 19, 1956, in which you stated that the above subject has made a full written disclosure of his knowledge of, instruction and assignment in the espionage service of a foreign country and that such disclosure has been made a matter of record in the Central Intelligence Agency. You also advised that you have determined that the registration of the subject under the Foreign Agents Registration Act of 1938, as amended by Section 20(a) of the Internal Security Act of 1950 would not be in the interest of national security.

In view of the foregoing, the subject is considered to be excepted from the agency status as defined by Section 20(a) and therefore has no obligation to register with this Department under the terms of the Act.

Your cooperation in this matter is appreciated.

Sincerely,

(signed) WILLIAM F. TOMPKINS  
Assistant Attorney General  
Internal Security Division
